CLASS PLACEMENT FEEDBACK 2015

Dear Parents

We have started the process of placing students into classes for 2015. At this stage we hope to have 17 classes in 2015 (this includes 2 classes in the Learning Centre) and 15 mainstream classes.

LEAVING KPPS

If you have not informed us that your child **will not** be returning in 2015 then it is important that the reply slip below be returned by Friday November 7th.

VACANCIES

We now have vacancies in some year levels for 2015. If you know a family that is interested in enrolling their children at our school for next year then please ask them to call Carol on 8353 2444.

2015 CLASSES

Parent input is now sought to ensure we create the best possible class combinations to encourage positive behaviour and excellent learning outcomes during 2015. All information will be transcribed to cards that staff will sort into class groups. It is critical that comments be kept brief and to the point. Student feedback about friends will be collected in classes before the placement process commences. Requesting certain staff members will not be considered (or gender of a teacher). If you have provided information previously, and it is still relevant, you need to record this information below. Our revised class structure will mean movement of staff around the school.

The reply slip below must be returned by **Friday 7th November** ready for the first round of class allocations.

We aim to distribute letters informing families of student placement for 2015 on the last Thursday 11th December. Once again, it is important to note that new enrolments during the holidays can require classes to be modified early in 2015.
