

Program Update

During the Holiday Program we got up to a lot of fun as it was filled with many exciting incursions and excursions! In the first week children experienced a whole 2 hours filled with bouncing, climbing, flipping and flying at Bounce at Greenacres. There were a few brave children who conquered the heights of the skywalk, some athletes who climbed to the very top of the rock-climbing wall, but overall they all enjoyed bouncing on the trampolines. In the second week of holidays we enjoyed the beautiful sunny weather play Mini golf at West beach. We had 4 of our children who showed exceptional golfing skills by managing to score an impressive hole in one! The children had fun trying out all the different courses that ranged in difficulty.
